

Activities of DRF

– To promote Open Access and Institutional Repository in Japan

Kyoko JO, Ikuko TSUCHIDE (Digital Repository Federation)

Discussion with society publishers

Panel discussion

Short skit

DSpace installation

“OA is NOT politically forced at state level or institution level.
Instead, we have build repository manager-level lateral solidarity.”

Quiz game

Training Events (from 2011)

3 times for beginners :1.5 days

–Various topics for repository managers

Once for seniors :1.5 days
