CALL FOR PARTICIPATION

IEEE iThings/CPSCom 2011

The 2011 IEEE International Conference on Internet of Things (iThings 2011)
http://ieee-iot.org/
The 2011 IEEE International Conference Cyber, Physical and Social Computing (CPSCom 2011)
http://cpscom.org/
October 19-22, 2011, Dalian, China

IEEE iThings/CPSCom 2011 will provide a high-profile, leading-edge forum for researchers, engineers, and practitioners to present state-of-art advances and innovations in Internet of Things and Cyber, Physical and Social Computing, as well as to identify emerging research topics and define the future. The conference is organized by Dalian University of Technology, China, and Sponsored by IEEE, IEEE Computer Society, IEEE Technical Committee on Scalable Computing (TCSC), NSFC, and Dalian Hi-Tech Industrial Zone.

Main Features:
  *** 5 Keynote Speeches given by distinguished researchers and practitioners
  *** 1 Industrial Summit chaired by IBM Fellow
  *** 2 Research Panels
  *** 2 Main Conferences and 8 Workshops
  *** 30 Technical Sessions
  Program at a Glance: http://cpscom.org/Program.htm

Keynote Speakers:
----

  * Prof. Junliang Chen (Beijing University of Posts and Telecommunications, China)
  * Prof. Claudio Cioffi-Revilla (George Mason University, USA)
  * Prof. Ning Zhong (Maebashi Institute of Technology, Japan)
  * Dr. Yihong Qi (DBJ Technologies, Canada)
  * Prof. Julien Bourgeois (University of Franche-Comte, France)

Industrial Summit:
----

  * Topic: Internet-of-Things Technology Innovations with their Industrial Applications
     Chair: Dr. Yun Wang (IBM Fellow, IBM China Research Lab)

Research Panels:
----

  * Topic 1: Challenges and Research Visions in Internet-of-Things
          Chair: Prof. Stephen S. Yau (IEEE Fellow, Arizona State University, USA)
  * Topic 2: Research and Development in the Frontier of Cyber, Physical and Social Computing
          Chair: Prof. Huan Liu (Arizona State University, USA)

List of iThings/CPSCom 2011 Workshops:
----

  * UUMA 2011: The 2nd International Workshop on Universal User Modeling and Applications
  * ReISOC 2011: International Workshop on Resilience and ICT for Secure Open Cities
  * TFWS 2011: International Workshop on the Trend and Future of Web Science
  * TESL 2011: International Workshop on Technology-Enhanced Social Learning
  * PhoneCom 2011: International Workshop on Sensing, Networking, Computing with Smartphones
  * CPSA 2011: International Workshop on Cyber-Physical Systems and Applications
  * DOIoT 2011: International Workshop on Future Design of Internet of Things
  * QoSIoT 2011: International Workshop on QoS of the Internet of Things

Registration Instructions: http://cpscom.org/reg-instruction.htm

Look forward to seeing you in Dalian, one of the most beautiful cities in China/Asia!
